CHIPPEWA NATIONAL FOREST "CELEBRATING 100 YEARS" 1908-2008

Imagine spending time on a warm sunny beach, hiking a forest trail... fresh walleye, loons calling, a sunset and northern lights. All 21 campgrounds are accessible and located on 12 of the Forest's 1,300 lakes.

Campgrounds are generally open from mid-May to mid-September; some are open all year with no water or garbage pickup off-season though walk-in access may be required. Campground facilities vary from flush toilets and showers to rustic campgrounds with vault toilets and hand

pumps. Each campsite has a picnic table, fireplace, tent pad and parking spot.

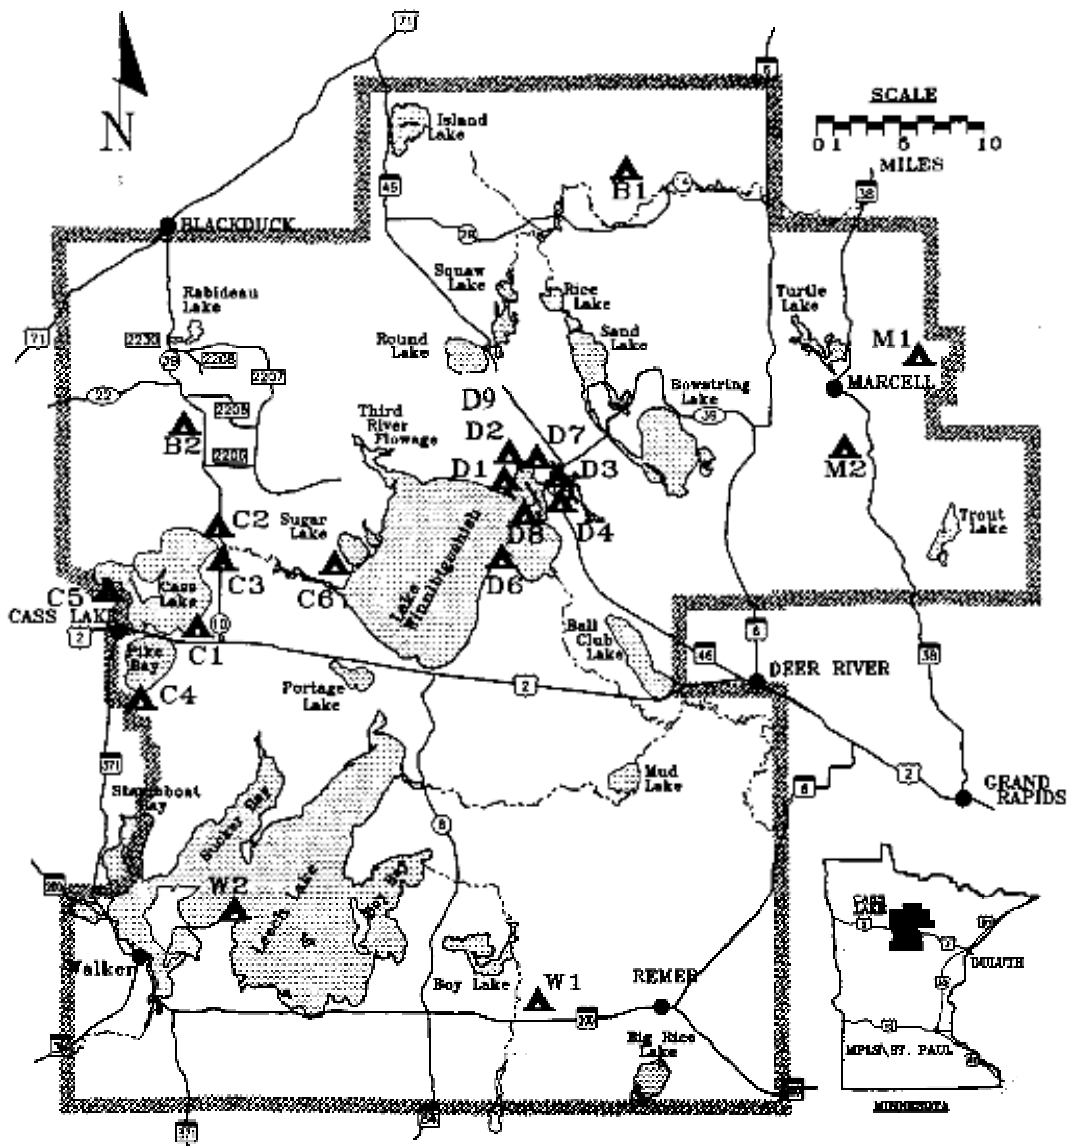

For a fee, reservations may be made in advance at some of the campgrounds through the National Recreation Reservation System (NRRS) by calling 1-877-444-6777 or at [www.recreation.gov](http://www.recreation.gov).

If you are seeking a more primitive experience, there are also over 300 free dispersed recreation sites on the Forest. For more information on these sites call 218-335-8600.
